6th ANNUAL PEDAL IN THE PARK WITH PAT

County Supervisor Leads FREE Bike Ride to Advocate for Park and Trail Maintenance

Milwaukee, WI - Milwaukee County Supervisor Patricia Jursik invites all constituents and bicycle enthusiasts to join her on a FREE bike ride June 14th beginning at the Sheridan Park Pavilion, Area 1. The group will travel along the Oak Leaf Trail, visiting the northern part of Grant Park and returning to Sheridan Pavilion in time for a concert by the “Bluegrass Allstars” at 6:30 p.m.

Supervisor Jursik sponsors the annual “Pedal in the Park with Pat” to call attention to the condition of the multiuse path and the parks as well as to help coordinate efforts to improve these jewels. The Oak Leaf Trail is a precious resource to residents of the 8th District and Milwaukee County. Originally designed as a 64-mile trail in 1939, it currently stretches 106 miles, connecting residents and visitors to recreation and economic activities throughout the County.

Thanks to a partnership with the Park People, participants have the opportunity to purchase special passports for the [Oak Leaf Discovery Tour](#) which runs through September 2, 2012. Participants who collect “stamps” at a minimum of eight parks may register their passport and become eligible for prizes.

During her nearly five years on the Milwaukee County Board, Supervisor Jursik has advocated for the maintenance of Milwaukee County’s trails, parks and transportation infrastructure.
